

FIFTH ERASMUS WEEK, ORGANISED BY THE UNIVERSITY OF RUSE, BULGARIA

The Agenda for Internationalisation of Higher Education – Opportunities and Challenges

14-18.05.2018

In the last few years, the programme and partner countries under the Erasmus+ Programme have been united by the common cause of internationalisation of their higher education systems with the aim to ensure the operation of unified quality standards for education and smooth recognition of periods of study and educational degrees. The achievement of this aim requires partner cooperation, discussions on existing problems and finding mutually beneficial solutions.

The Fifth Erasmus Week, organised by the University of Ruse, initiates a partnership dialogues on a number of topics from the Agenda for Internationalisation of Higher Education, namely:

- Conducting joint degree programme courses with dual diplomas awarded;
- Organising joint Summer Schools for training or joint Doctoral Schools of two-month duration with funding for the participants from the Erasmus+ Programme;
- Stimulating the activities of international inter-disciplinary teams of researchers, etc.

The University of Ruse is dedicated to providing the participants in the Fifth Erasmus Week with the opportunity for efficient meetings in a friendly environment, as well as with exciting experiences in the beautiful town of Ruse and unforgettable memories.
